

PACE[®] CERTIFICATION

Plan Appointed Claim Evaluator[®] ("PACE") Certification provides access to a multimedia educational program. Through videos and interactive knowledge materials, you will emerge educated and entertained.

Once PACE certified you will enhance your PACE business and increase revenues, improve your appeals processes, and assure regulatory compliance.

Chapter One

Explore the ins and outs of self-funding while learning about its risks and rewards. This chapter will transform any individual into a self-funding pro.

Chapter Two

Take a deeper dive into the laws that apply to self-funded plans. We cover it all, from preemption to adverse benefit determinations and appeals.

Chapter Three

Explain what PACE is, what PACE does, and how it's obtained, implemented, and utilized.

Get PACE Certified Free Of Charge By Completing The Optional Exam Following The Program.
