

The Phia Group's Flagship Plan Document

Bad Plan? No Plan? No Excuse!

Every self-funded plan deserves a “Best in Class” plan document, yet delays in plan drafting cause many plans to administer old plans – or no plan at all.

Best Practices... In a Plan Document?

The Phia Group has compiled decades of experience to develop its **Flagship Plan Document** template. This plan document “checks all the boxes” when it comes to best practices, regarding everything from cost containment to compliance; offering robust yet effective coverage.

What is The Phia Group's Flagship Plan Document?

The Phia Group's **Flagship Plan Document** is literally a condensed version of its industry acclaimed, fully customizable template. The Phia Group has taken its own impressive plan document template (complete with thousands of requisite customization queries), and created a nearly complete plan document – by pre-selecting what it deems to be the best provisions in every regard.

Stop Wasting Time!

With The Phia Group's **Flagship Plan Document**, clients can enjoy speedy production of best-in-class plans, with minimal time or monetary investment.
